Hospitality™

How do you save money,
improve your guest's experience,
& be more environmentally friendly
WITH ONE SIMPLE CHOICE?

American Pacific is a 20 year old privately owned business with a strong history of product development and emphasis on quality. All beds are manufactured domestically in our modern 65,000 square foot Garden Grove, California facility.

Choose Sterling Modular Bedding Systems and Replace Parts instead of Complete Beds.

① Save money, improve your guest's experience, and be environmentally friendly— Replace parts instead of complete beds.

Our patented modular construction allows you to **easily and economically renew your beds, while minimizing wasted money and materials.** Our mattresses can be disassembled for simple and thorough cleaning. Easily replace stained or worn components as needed. All components available for separate purchase.

② Our pricing is competitive with conventional bedding.

We offer savings through better design. A variety of material and construction options ensure that we can offer you the perfect bed for your bottom line.

③ Our Bedding Systems Offer an Upgrade Path.

Choose one of six models for your current needs, and know that you can upgrade later; just change out individual components.

- ✓ Ask about special discounted prices for Inn keepers, B & B operators, and the hospitality industry.
- ✓ Satisfaction Guaranteed for sample orders. Right to return the sample mattresses within one week of delivery at your sole discretion.
- ✓ Courtesy to the trade— special discounts available to interior designers.
