

**Booking**Booster

 **DirectWith**Hotels

Managing  
distribution channels  
just became easier.

# Stop working harder. Start working smarter.

Utilise an integrated distribution management platform that helps you keep pace with the demands of your business.

## Introducing the BookingBooster-DirectWithHotels integrated system

### SIMPLIFY

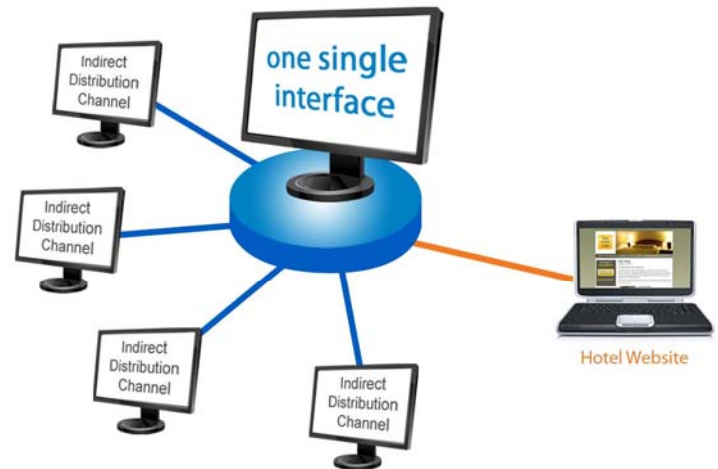

Manage your room availability, rates and booking information in your indirect distribution channels and on your own website using just ONE interface.

### CONTROL

Achieve consistency in content, inventory and rates across all channels.

### PERFORM

Enhance your online presence and increase your direct reservations by a minimum of 50% in 12 months - guaranteed!

Experience a new degree of efficiency in managing both your direct and indirect reservations system!
