

The adventures of

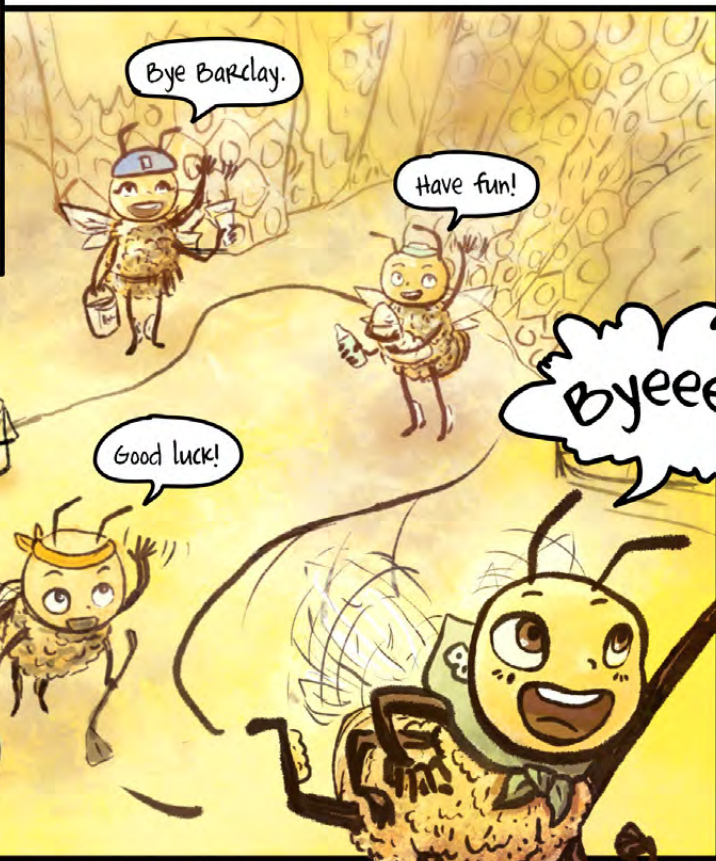

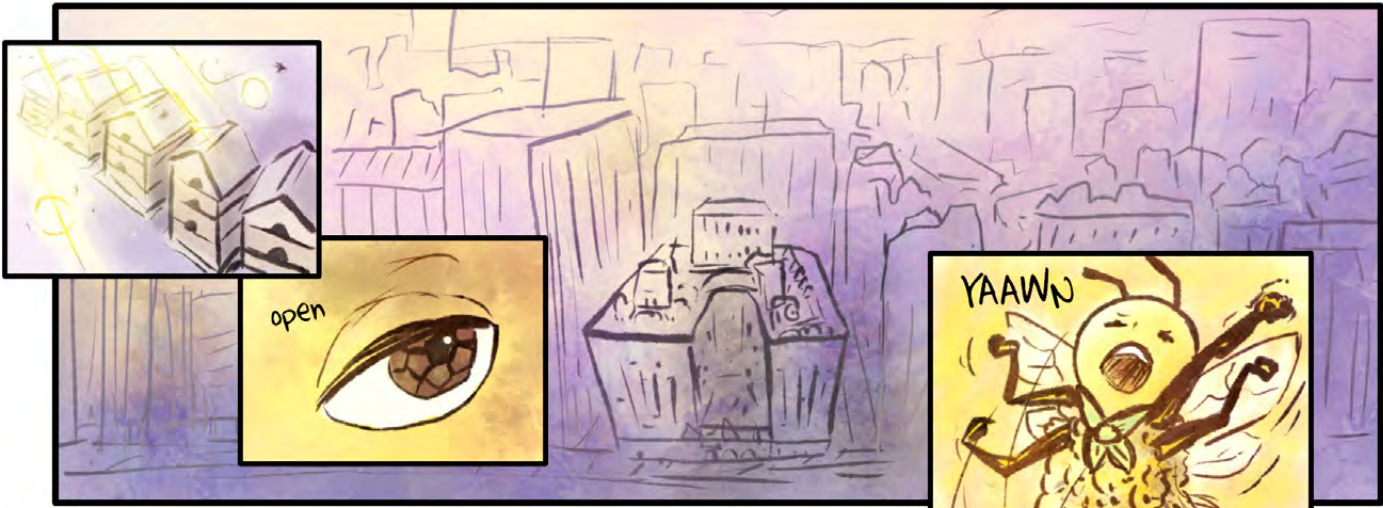

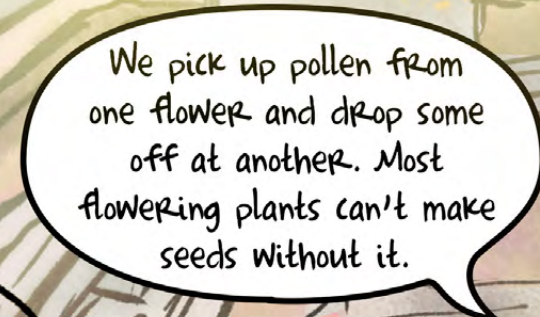

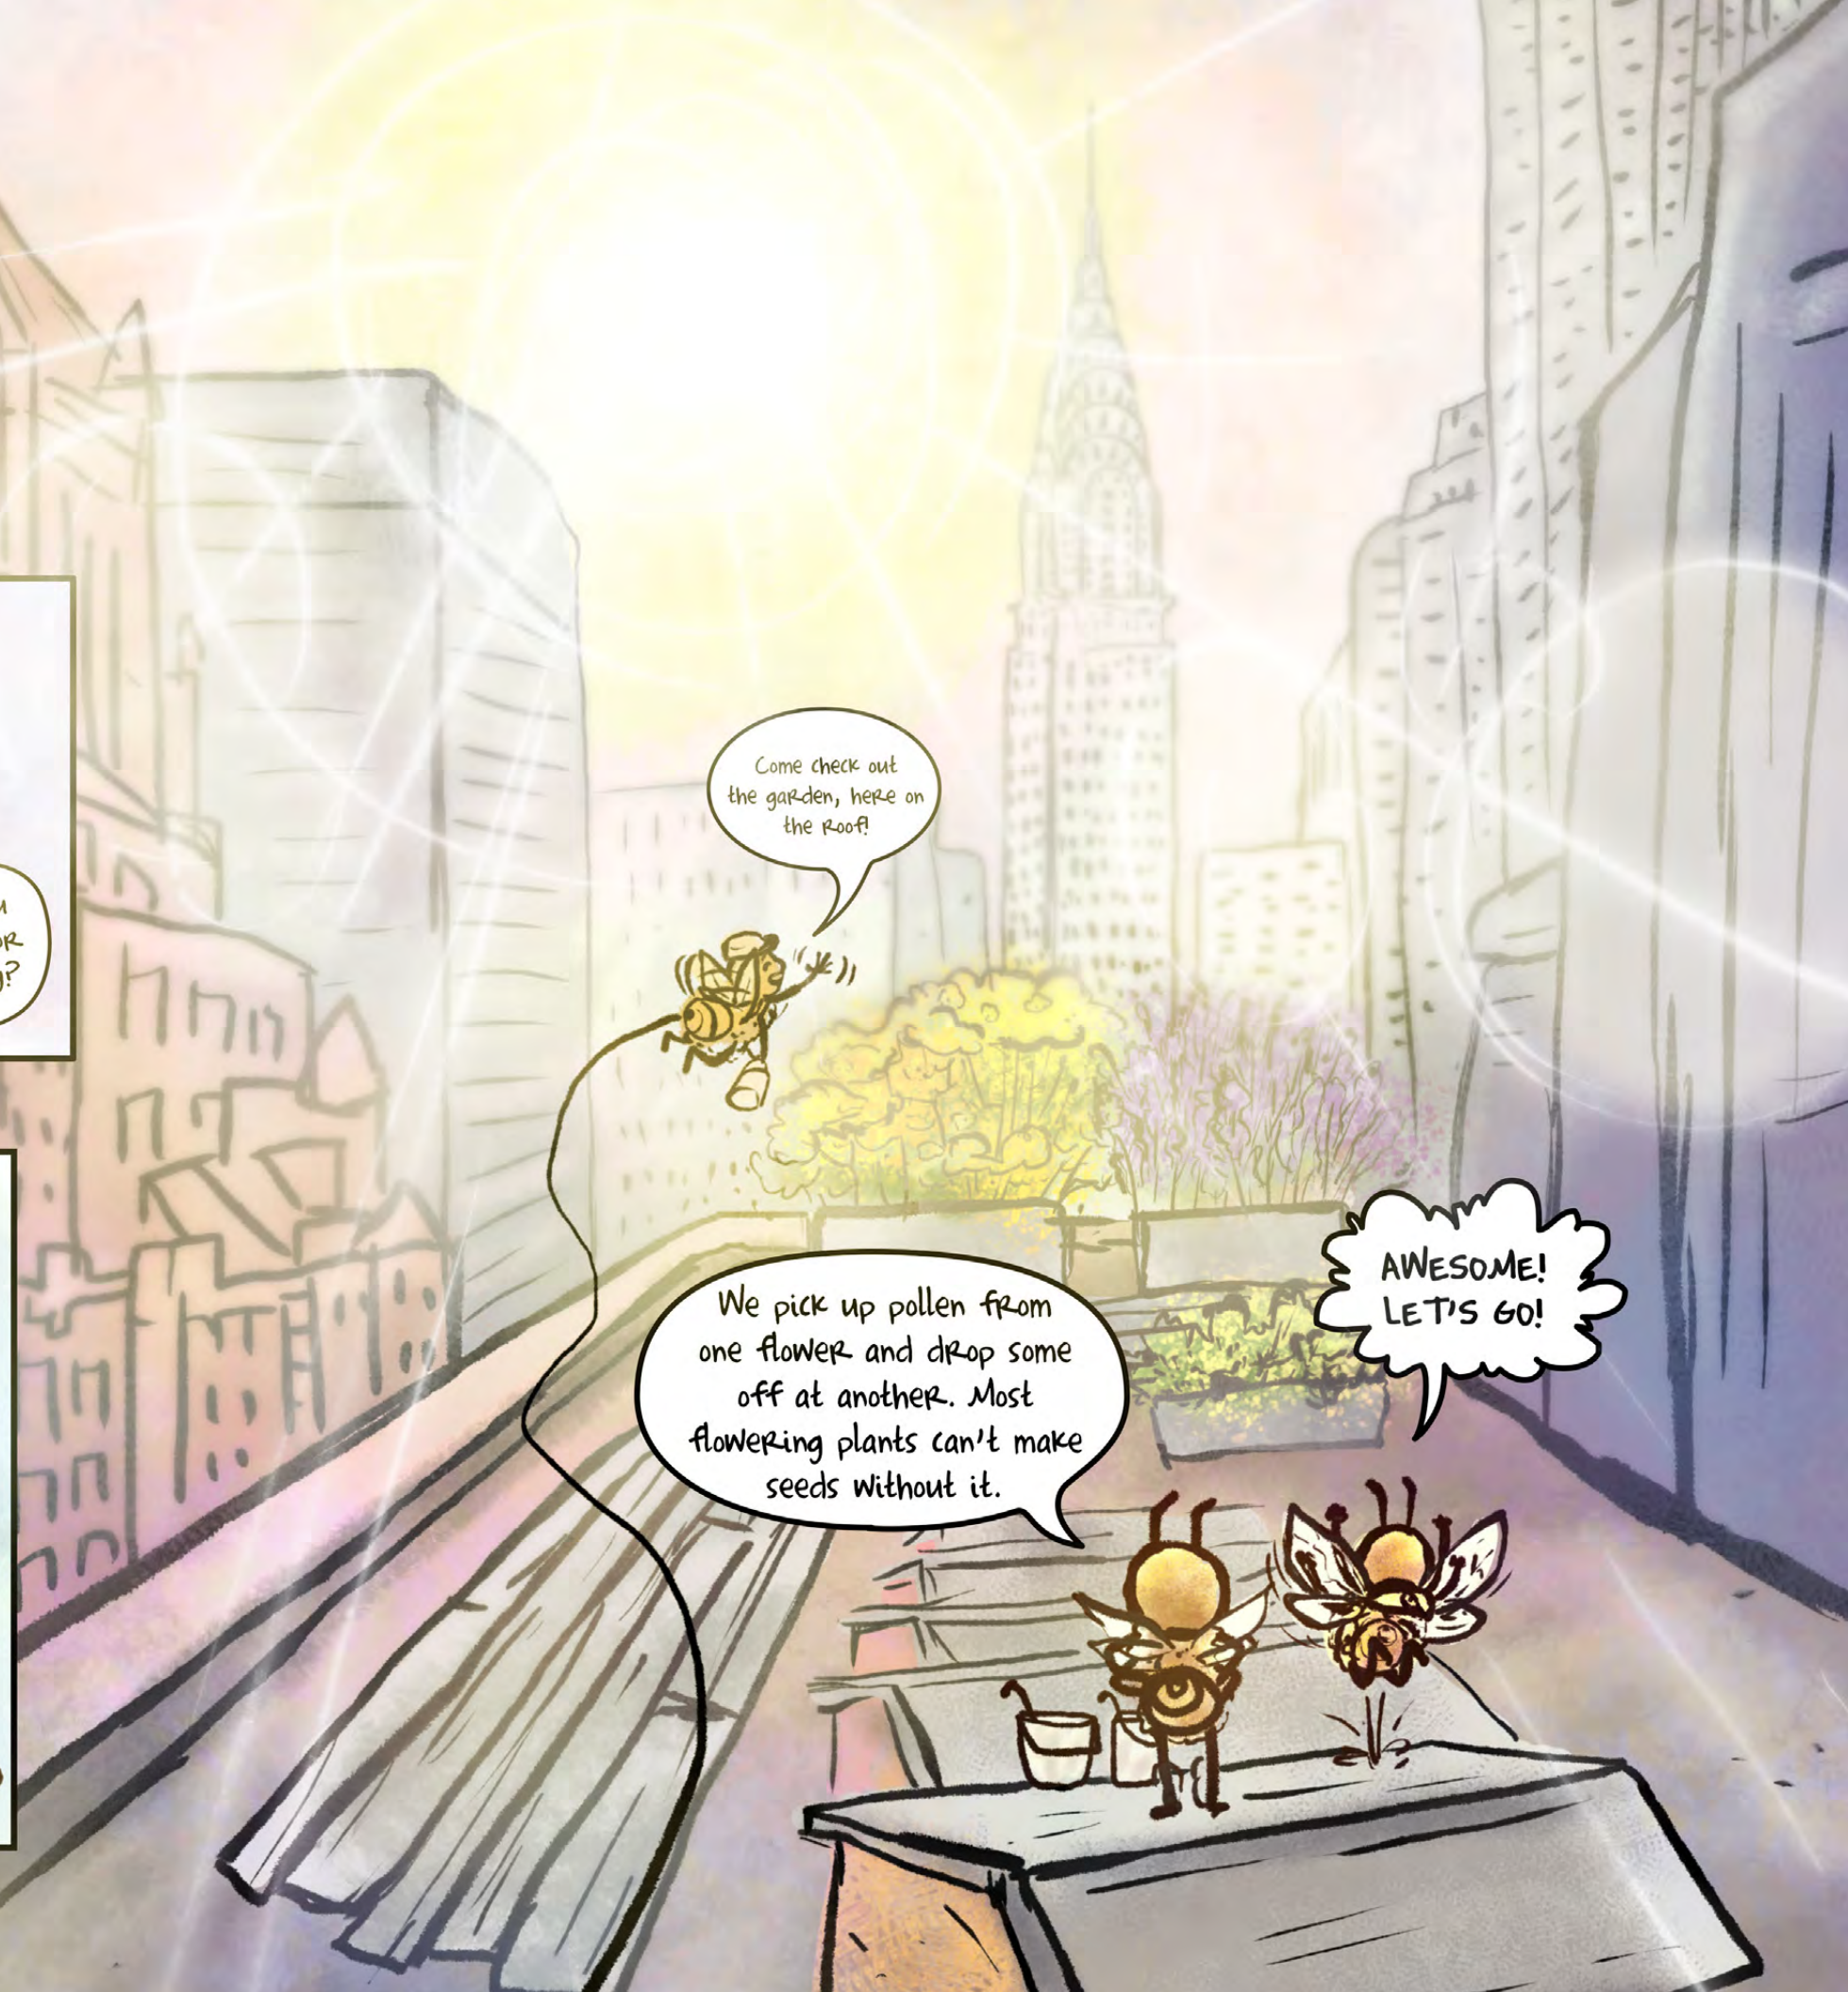

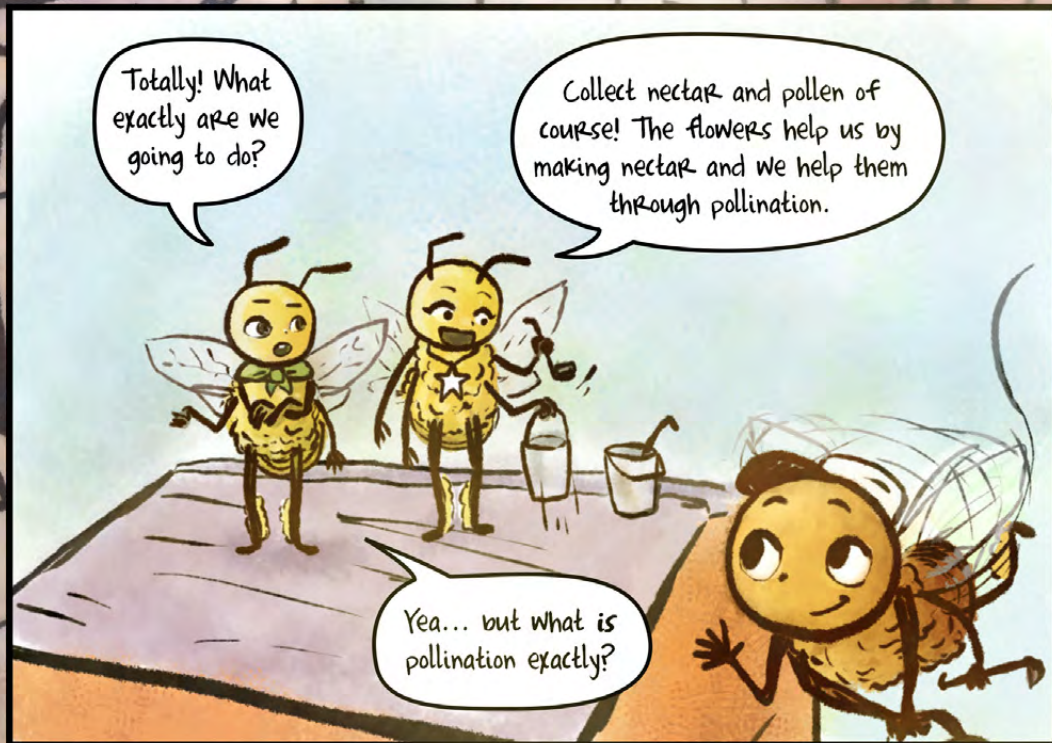

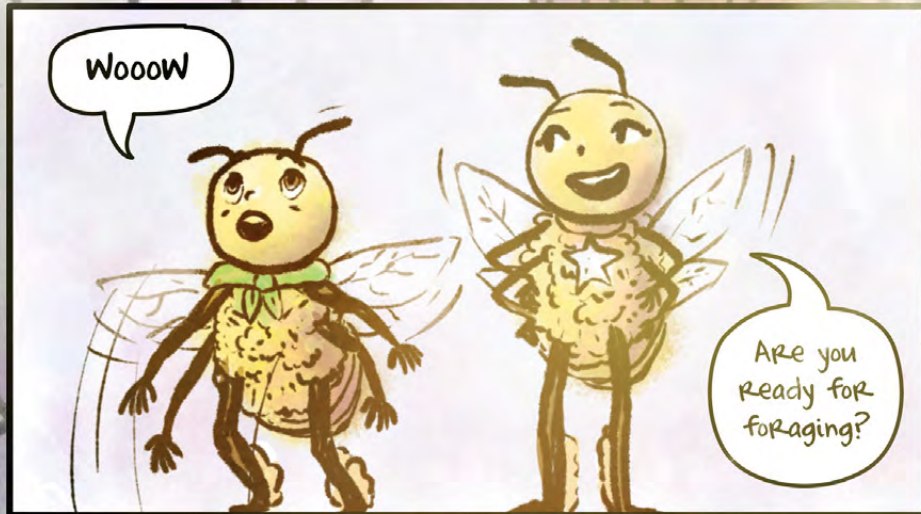

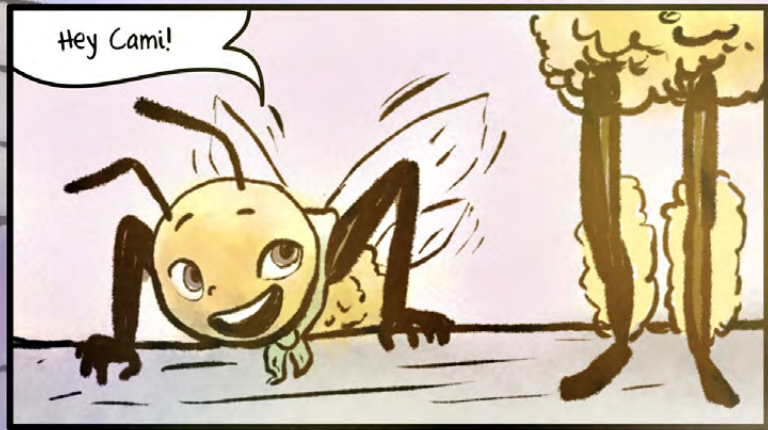

# BARCLAY THE BEE

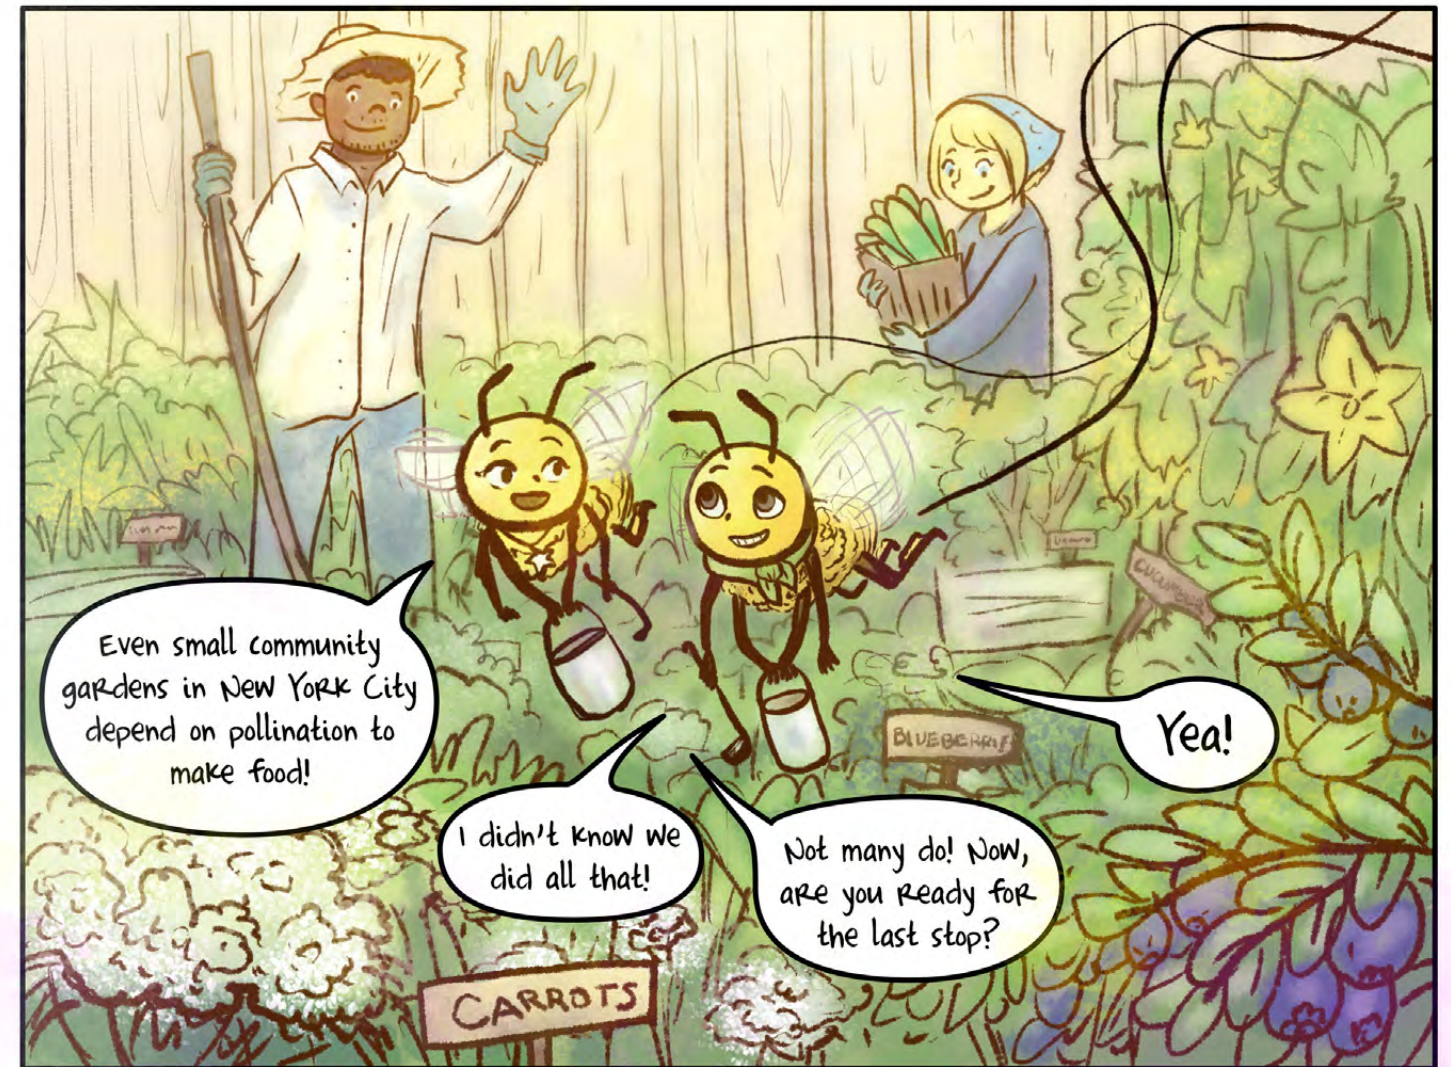

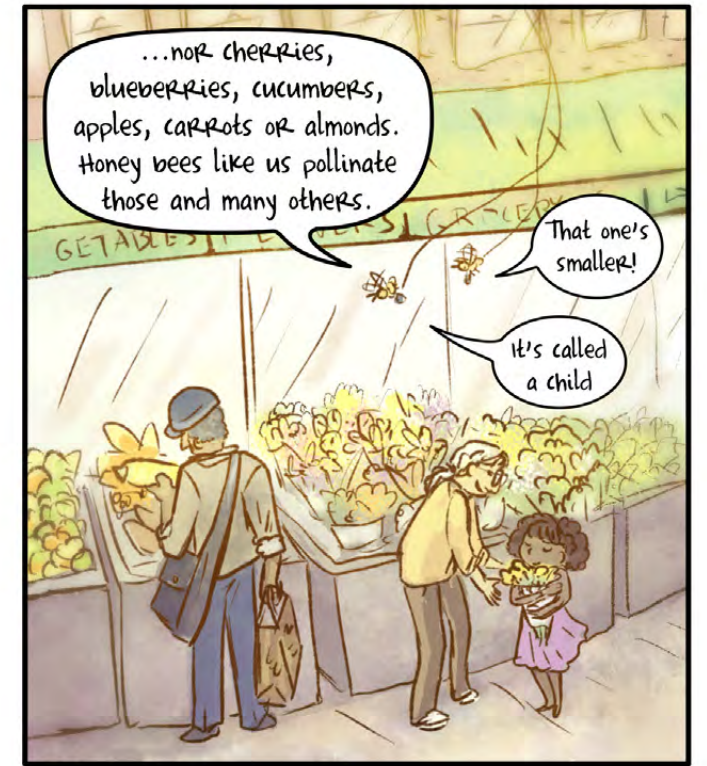

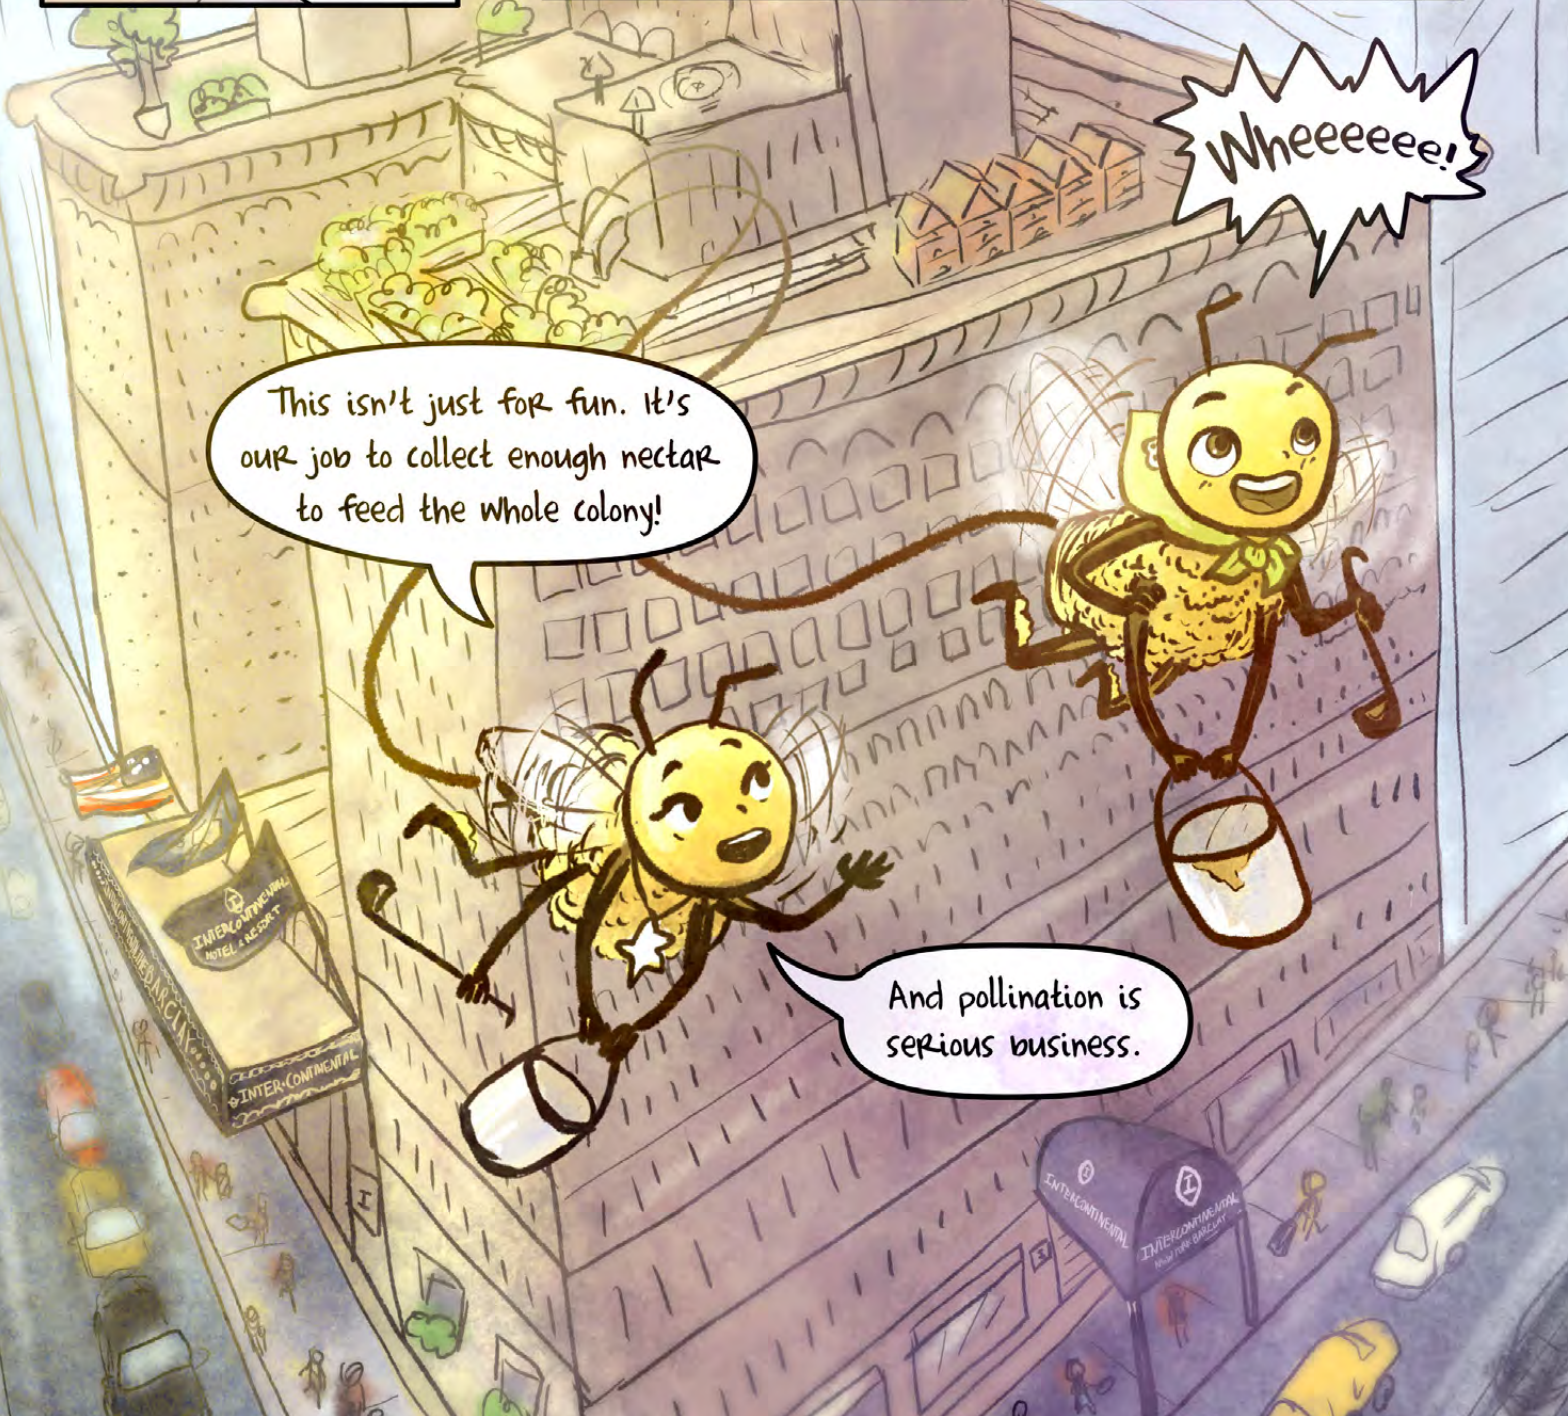

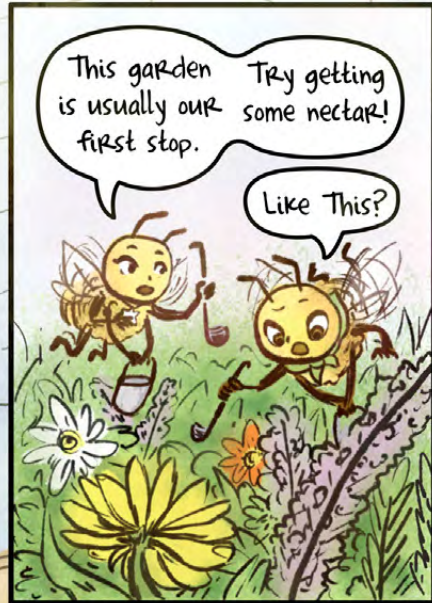

-and-  
the Foraging Trip

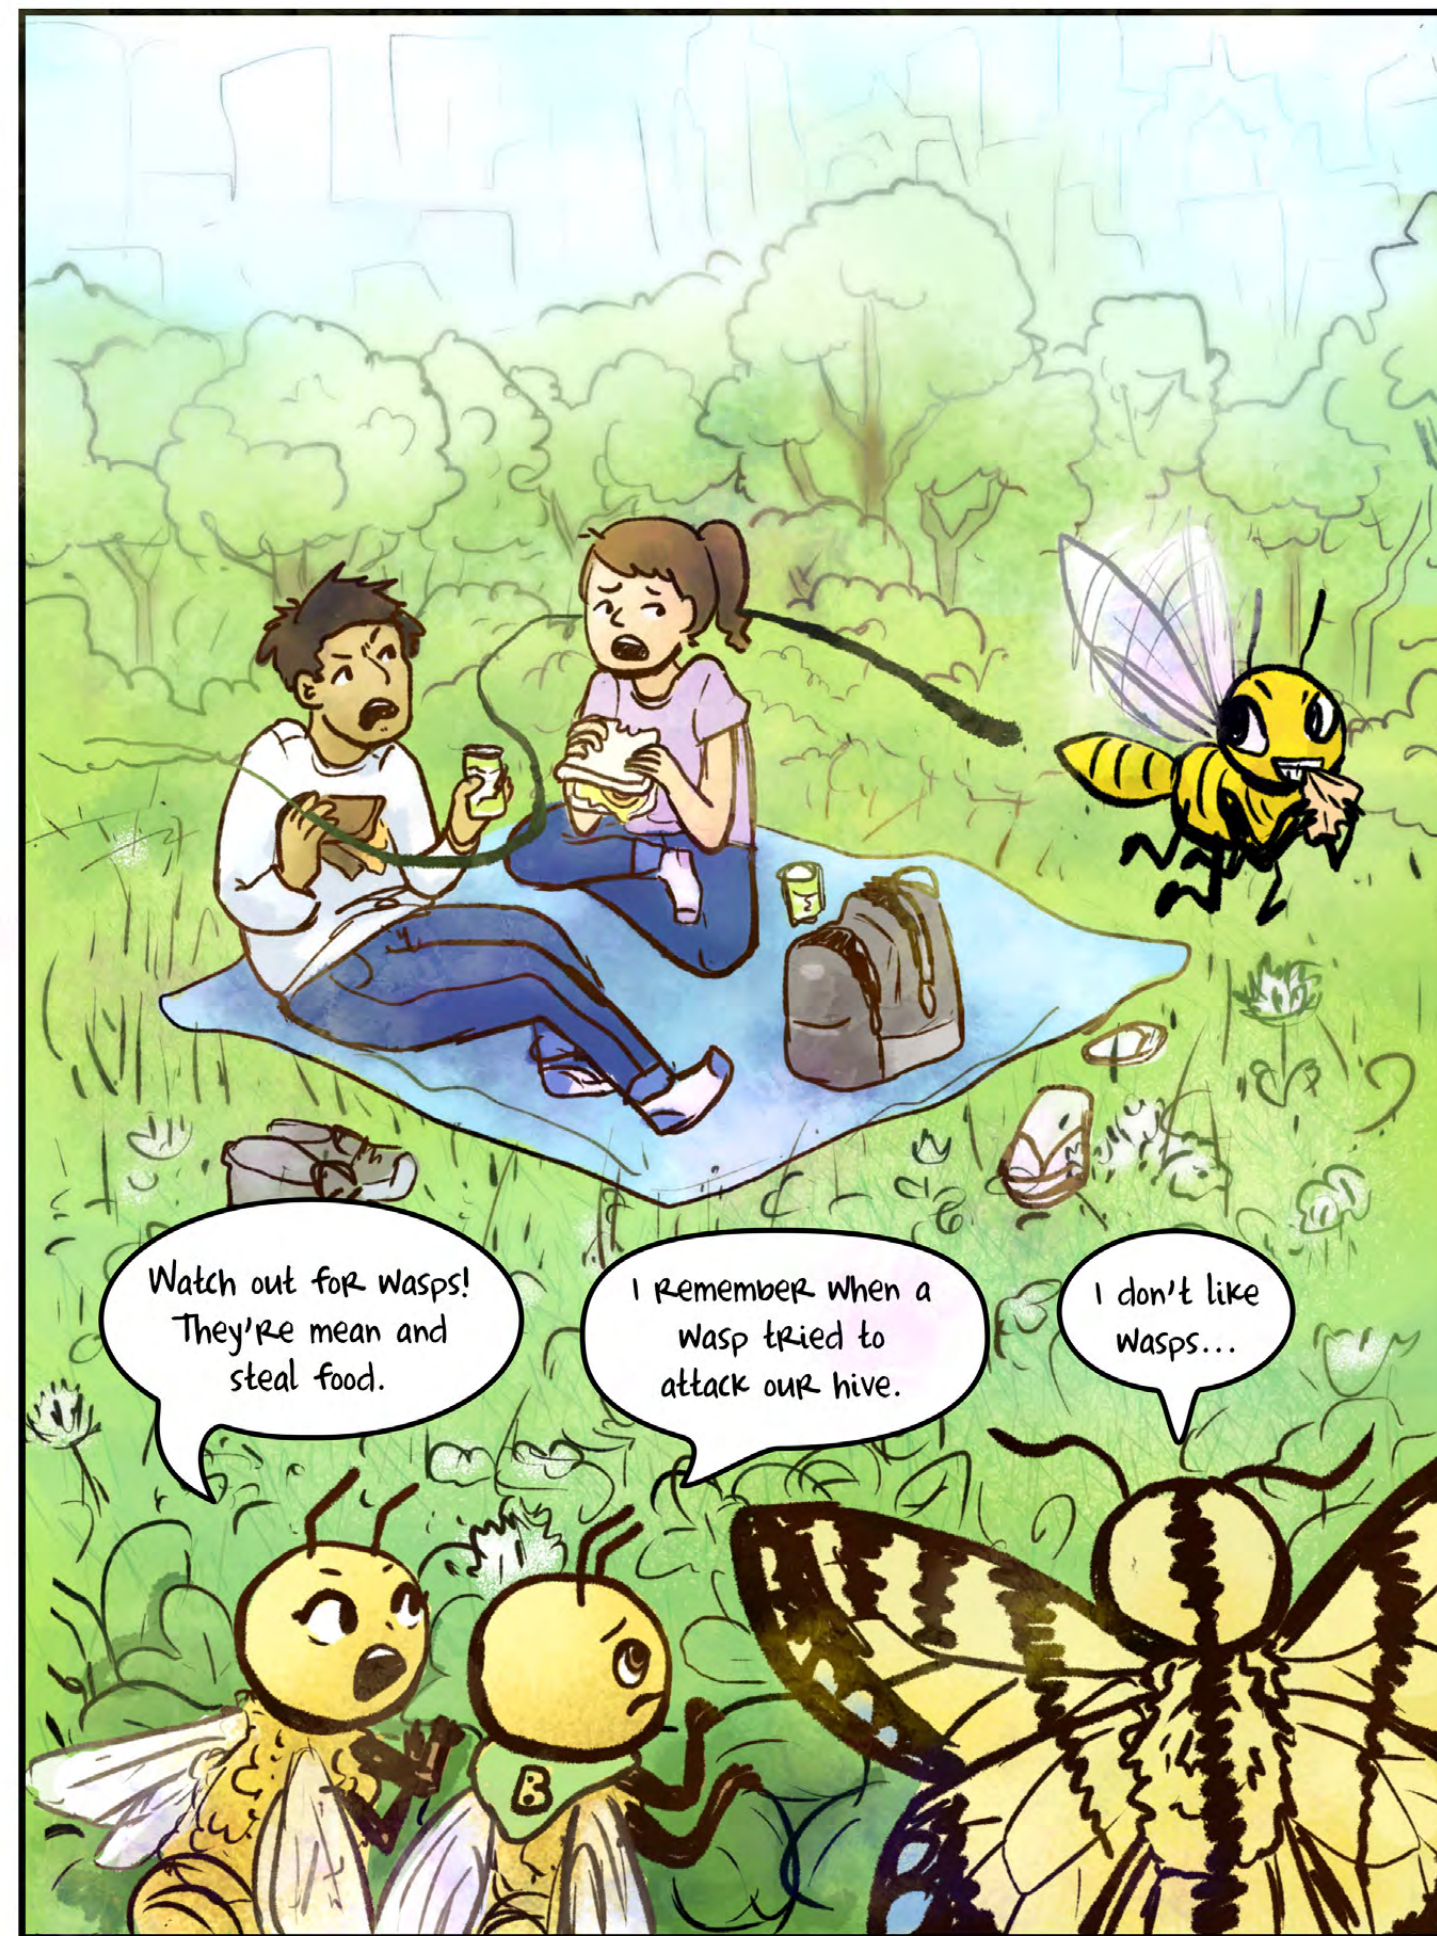

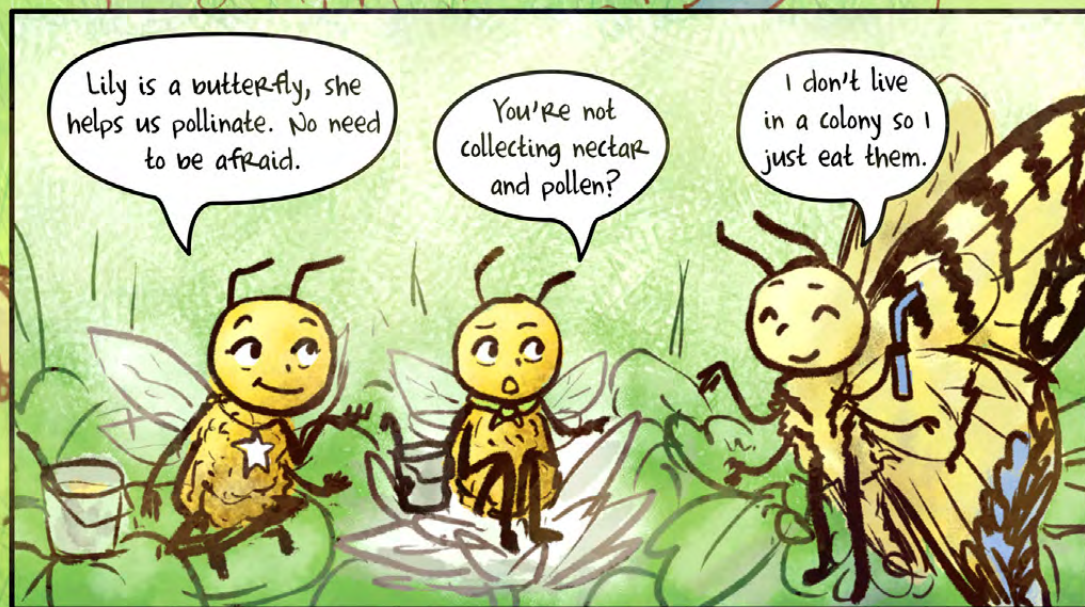

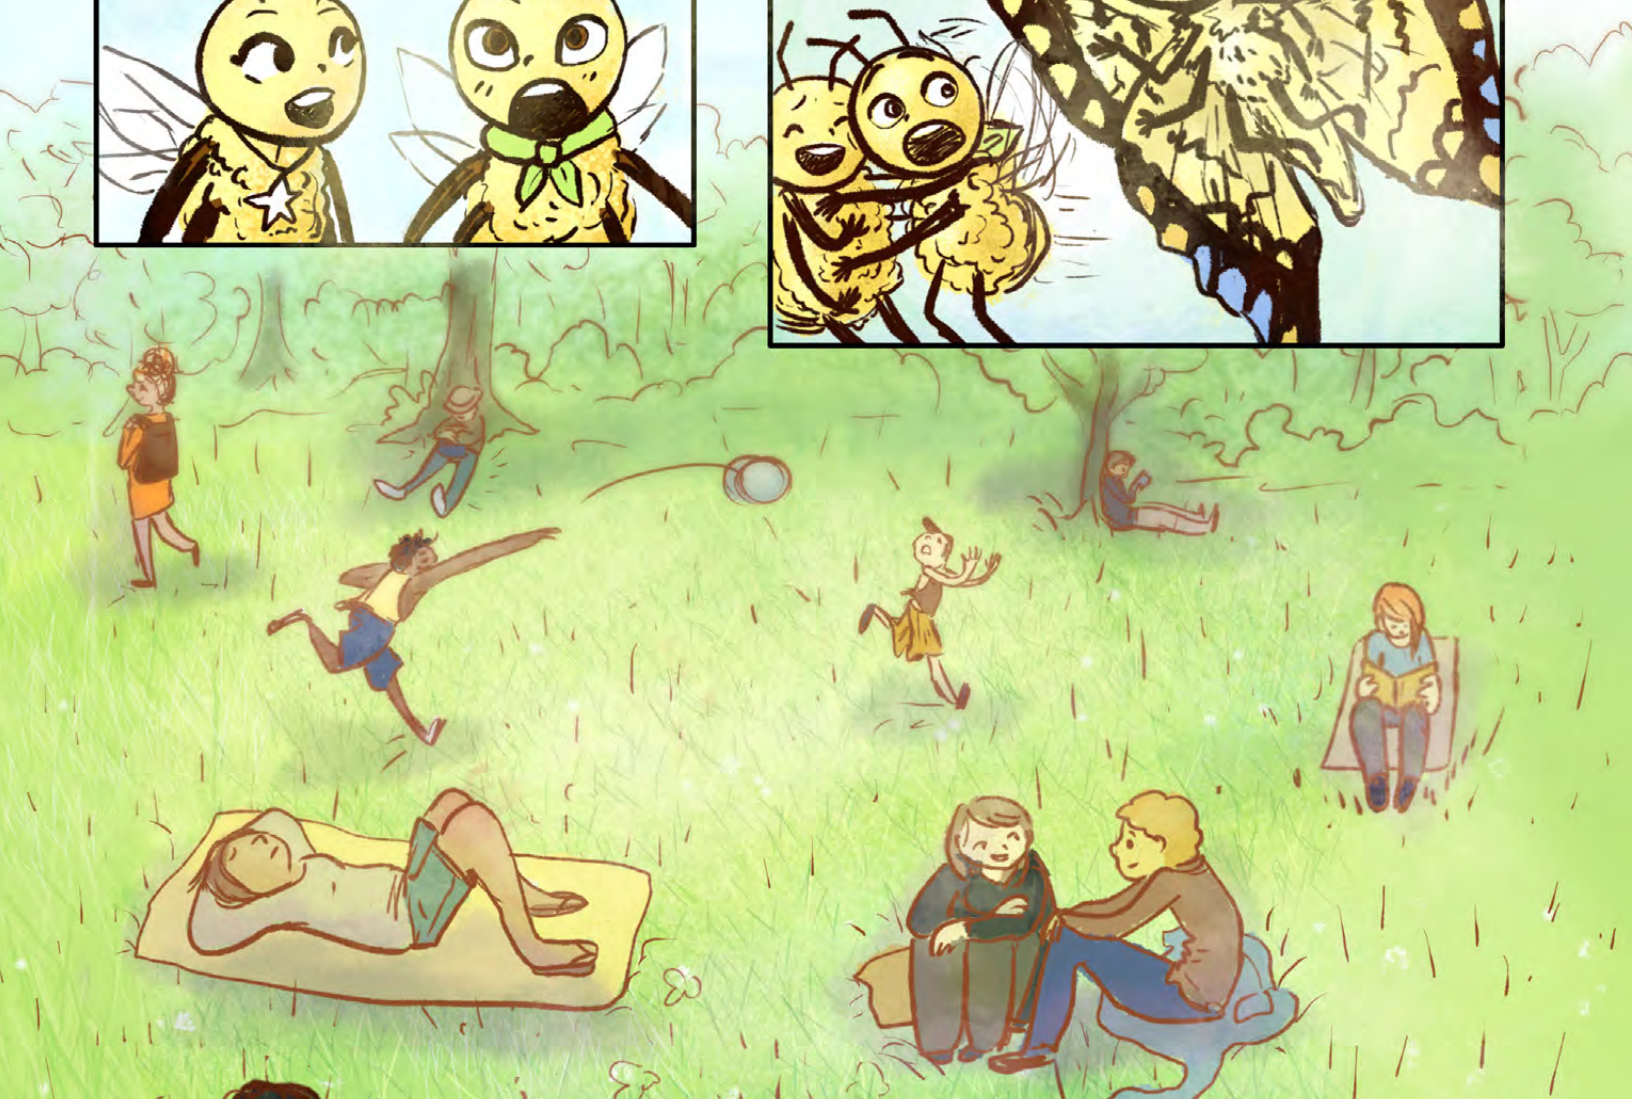

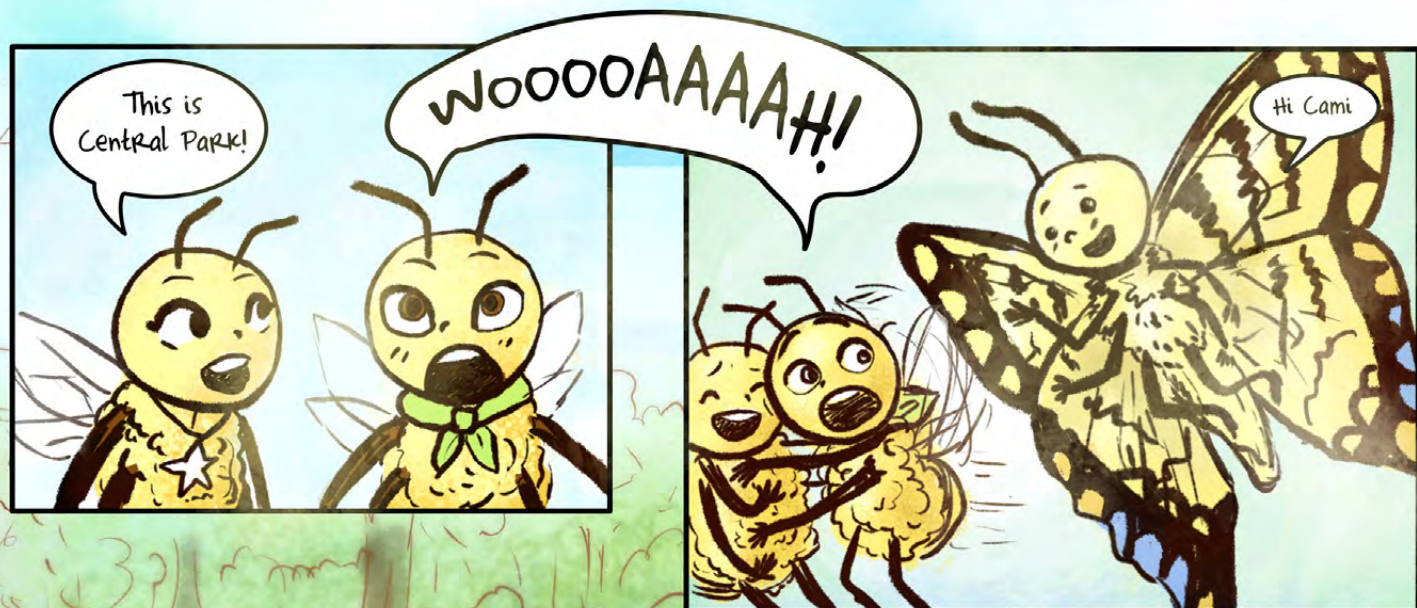

Book  
#1

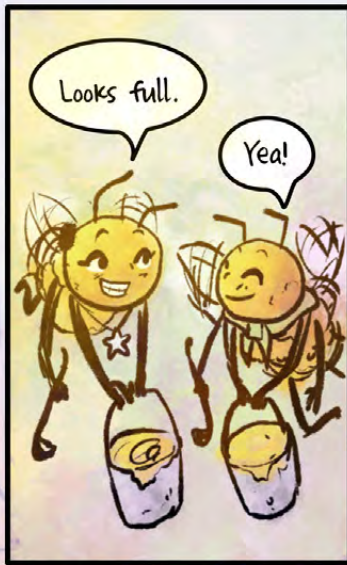

Barclay the Bee lives on top of the InterContinental New York Barclay Hotel.  
Today she is old enough to start her new job as a Forager.

Good job on your first day!

Thanks! I've learned so much!

Just remember, if you help the plants, they will help you. Without bees like us, many plants can't grow.

Definitely! Now it's time to make honey... Yum!!
